Answer

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI SYED SHAHNAWAZ HUSSAIN)

(a) to (f) Organizing campus interviews for final year students is a standard practice in all IITs. Leading Indian companies and Multinational Corporations (MNCs) participate in the Campus interviews. Many Indian Companies and most of the MNCs provide global job opportunities with their work spread in many countries (including India). Normally, the students, who go abroad for their jobs come back with very rich experience and expertise in the respective fields. With the opening of Indian economy and greater mobility of professionals, such trends are inevitable.
